

STORAGE VISIONS[®] 2007 CONFERENCE

AN ENTERTAINMENT STORAGE ALLIANCESM EVENT

Ken Whitaker, VP Engineering, Datalight

Biography

Since 1974, Mr. Whitaker has held a broad range of software applications and embedded systems software positions. Most recently, he was Vice President of Software Development for MapFrame, a provider of mobile GIS solutions. Previously, he was Vice President of Software Application Development for Solucient, a major healthcare provider of clinical, marketing, and operating efficiency data analysis solutions.

Ken began his career in the wireless career as the Vice President of Products for Wireless Knowledge, a joint venture between Microsoft and QUALCOMM. During his tenure there he managed Engineering, Quality Assurance, Operations, Technical Support, and Product Management.

Whitaker holds a BS in Mathematics from *J. Madison University*; and attended a Master's program in Computer Science & Applications at Virginia Polytechnic University. He is a PMI member, and is receiving his PMP certification. He also authored the popular software leadership book entitled Managing Software Maniacs, (published by J. Wiley & Sons/Coriolis).
