AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

**Brian Schwarz, VP of Product Management and Technical Marketing, Pure Storage**

## **BIOGRAPHY**

Brian Schwarz serves as VP of Product Management and Technical Marketing at Pure Storage focusing on the FlashBlade product line. He is passionate about building simple solutions to the complex technical challenges that come at the leading edge of technology. Prior to joining Pure in 2014, he spent 6 years at Cisco Systems building the Unified Computing System growing it from customer 0 to customer 40,000. Academically he obtained a BS in computer engineering from Rensselaer Polytechnic Institute, and a MBA from the University of Washington.
