AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

Dave Eggleston, Owner and Principal, Intuitive Cognition Consulting

BIOGRAPHY

Dave Eggleston is the owner and Principal of Intuitive Cognition Consulting, and he provides strategy and business development services to leading NVM and Storage clients. Dave's extensive background in Flash, MRAM, RRAM, and Storage is built on 30+ years of industry experience serving as VP of Embedded Memory at GLOBALFOUNDRIES, CEO of RRAM pioneer start-up Unity Semiconductor (acquired by Rambus), Director of Flash Systems Engineering at Micron, NVM Product Engineering manager at Sandisk, and NVM Engineer at AMD. Dave is frequently invited as a speaker at international conferences as an expert on emerging NVM technologies and their applications. He holds a BSEE degree from Duke University, a MSEE degree from Santa Clara University, and 25+ NVM related granted patents.
