### ***2008 Storage Visions™ Conference Announces Call for Speakers***

**San Jose, CA** – June 18, 2007 – The Storage Visions conference, the premier conference focusing on digital storage and the entertainment content value chain, announces that it is now accepting speaking submissions for the 2008 Storage Visions Conference. Storage Visions 2008 will be held January 5 & 6, 2008 at the Flamingo Hotel in Las Vegas, just before the 2008 CES.

The Storage Visions Conference is put on by the Entertainment Storage Alliance ([www.entertainmentstorage.org](http://www.entertainmentstorage.org)) which is launching new series of articles and news items on their web site. More activities on the Entertainment Storage Alliance site are planned before the 2008 Storage Visions Conference.

Corporate sponsors for the 2008 Storage Visions are Platinum Sponsor Hewlett Packard; Silver Sponsors STMicroelectronics and Toshiba America Information Systems (Toshiba is also the lanyard sponsor) and Bronze Sponsors Omneon and Silicon Image. Organization and media sponsors include Compact Flash Association, MediaTech Association, The Entertainment Storage Alliance, StorageNetworking.org, SCSI Trade Association, Fibre Channel Industry Association, and the Flash Memory Summit.

Paper submissions for the 2008 Storage Visions can now be made on the conference web site, [www.storagevisions.com](http://www.storagevisions.com). The speaker submission deadline is September 15, 2007.

People wishing to receive information on the 2008 conference or companies wishing to participate as sponsors and exhibitors at the 2008 conference should fill out the appropriate forms available on the conference web site: [www.storagevisions.com](http://www.storagevisions.com). Interested parties can also call Storage Visions at 408-871-8808.

About the Entertainment Storage Alliance: The Entertainment Storage Alliance was formed to promote interaction between the digital storage community and people that use digital storage for the creation and distribution of entertainment or personal content as well as consumer products. The Entertainment Storage Alliance puts on the Storage Visions Conference as well as maintains an active web site with news, articles and other activities related to the content value chain at [www.entertainmentstorage.org](http://www.entertainmentstorage.org).
